

Fuels Safety Program	Ref. No.: FS-100-07	Rev. No.: 2
ADVISORY	Date: March 2007	Date: March 2010

Subject: Fuels Safety Recognition of Precision Leak Testing Companies
Sent to: Posted on Web-Site and Distributed to Petroleum Council and LFHC RRG

The following precision leak test companies have been recognized by Fuels Safety to conduct precision leak testing in Ontario. Please note that Fuels Safety's recognition is based on information supporting that the procedure/equipment meets the requirements of the US Environmental Protection Act (EPA) Protocol.
